

ADRENALINE TRIP

1ST NOVEMBER 2025

ADRENALINE TRIP 1 DAY

THE LEAP OF FAITH

We will leave Malta early morning with a Ferry trip to Sicily departing at 5am, where we'll find our private transport waiting for us.

After arrival, we'll drive directly to the skydiving spot. After a detailed briefing of the safety procedures, two by two we'll hop on the plane, and fly until we reach the jumping position. While others are making it happen the rest are making new friends!

After all the group has caught their breath, We will then go to celebrate over some cannoli and drinks in Pozzallo. Enjoy some free time before its time to head to the ferry.

Ferry departs to Malta at 20.30hr.
